Attachments: R8 Lead Strategy DRAFT 3-9-2018_OSRTI.DOCX

Please refer to the string of emails below regarding input from OLEM (Superfund comments on attached strategy; RCRA comments below). Steve and Joe, please reach out to OLEM for further discussion regarding Superfund. Michelle, will you coordinate with the RCRA program and RCRA enforcement to reach out to HQ? If we need to add specific RCRA folks to the team, please provide names.

Note: The addressees on this email are the core members of the R8 cross program lead strategy implementation team, to date. I will be sending action items from our kick-off meeting yesterday and scheduling our next meeting shortly.

Thanks-
Deb

Thank you Tim and Stiven,

The timing of your email is very good. I met with our R8 cross program lead strategy team yesterday and we discussed next steps for finalizing our strategy, establishing specific commitments for FY18/FY19 and our communication plan for rolling out the strategy. I will forward OLEM's input to the team and make sure someone makes contact with OLEM.

Subject: OLEM comments on R8 Lead Action Plan

Silvina and Tim,

OLEM has reviewed R8's draft Lead Action and found it to be well written presentation of clear and supportable goals for address lead in the region. OSRTI has provided some specific comments in the attached file, and ORCR would like to add the following:

We would be happy to provide input if R8 would like to include any additional activities related to RCRA such as:

-
- **Deliberative Process / Ex. 5**
-

As Barbara Hostage communicated to Tim earlier today, OLEM would like to coordinate with the regions on the developed of additional lead action plans and I can serve as a point of contact.

Please let me know if you have any questions.

Thanks
